

## Your voice is Juno's command

The World's Most Advanced Classroom Communication Tool

### KEY BENEFITS

- Voice amplification - Clear stereo sound
- No installation required - relocatable
- Assists Teacher Vocal Health
- Improves Literacy and Numeracy
- Captures IWB Lessons
- Integrates with other devices
- Bluetooth Connectivity
- LCD Touch Screen
- Voice Command

Optivoice strengthens critical sounds, doing the work of a 12 band equalizer with a single switch.

Generation II Digital Signal Processing & Feedback Suppression, automatically adjusts sound quality and power usage.

Use up to five mics simultaneously for smooth participation and natural discussions

Teacher Edition Software. Automated Lesson Capture & Sharing (unlimited length, voice activated, screen/audio capture recorded in universal MP4 format.)

Accepts voice commands to initiate automated lesson capture, to increase or decrease the volume of the teachers voice.

PrioriTeach gives priority to the teacher microphone by reducing the volume of all other devices and microphones when the teacher microphone is used.

Combining PFM and classroom amplification technologies means that teachers only have to wear one microphone.

Juno with Bluetooth is the perfect audio solution for today's dynamic, modern learning environments; it maximizes student engagement by enabling wireless streaming of instructional content.

Using Juno with tools like Skype you can easily set up a real-time audio/video connection between your class and any location.

Save money (and maybe even the planet). FrontRow products use significantly less energy – up to 63% less – than other systems. They're a smart choice for schools and the environment.

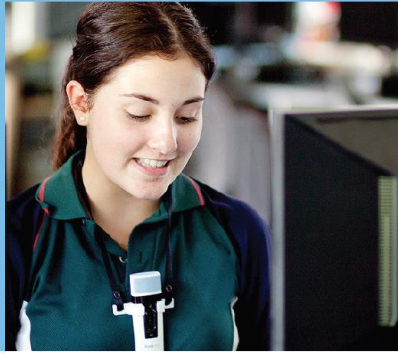

Earth-friendly design FrontRow's design and manufacturing practices keep lead, mercury, PBDE and other toxins out of its products — and out of the environment.

## Flipped Classrooms & Digital Content

Automatic Lesson Capture & Sharing (Teacher Edition)	Yes
Class2Class™ Distance Learning Support	Yes
Digital Feedback Suppression	Yes
Voice Command	Yes

## Installed Amplification (Emphasizing Voice Clarity)

OptiVoice™ Speech Clarification	Yes
PrioriTeach™ Teacher Voice Priority	Yes
Integrated Infrared Sensor	Yes

## Installed Amplification (Emphasizing Media Clarity)

Audio Inputs	4
Page Override Option	Yes
Speaker Expansion Module	Yes
Audio Output (PFM/Podcasting)	1
Separate Volume Control for Inputs	Yes
Stereo Sound	Yes

## Installation-Free & Relocatable Voice Amplification

Indoor Use	Yes
Integrated Speaker Line Array	Yes
Installation-Free	Yes

## Features

Number of Systems per School	Unlimited
Energy savings	Yes
Directly Compatible with	PFM devices (rebroadcast)
One touch Operation	Yes
Touch-Screen Interface	Yes
Lead Free/ROHS Compliance	Yes
SmartCharge Fail Safe Battery System	N/A (Li-ion)
Simultaneous Microphone Channels	5
Microphone Channel Choices	7
External Sensor Inputs	2
Optional Student Microphone	Yes
Transmission Technology	Infrared
Platform	Digital
Warranty	5 Years
